The Policyholder is the person or the company who has concluded an insurance contract via Mysafety Oy (hereinafter referred to as "Mysafety").

2. The Insured – Who the insurance covers

The insurance coverage applies to the person(s) whom the purchase relates to. If the Insured is prevented from participating and someone else takes their place, the new participant will be regarded as the Insured.

When we write 'you' and 'your', we are referring to the Insured.

3. Validity of insurance

The insurance is valid from the time at which the booking of the insured event was made and paid for and expires when you arrive at the event, and no later than when the event begins.

The insurance is only valid for the specific event the policy was taken out for and cannot be renewed.

4. Where the insurance is valid

The insurance is valid worldwide.

5. What the insurance coverage applies for

The insurance reimburses the cost, or part of the cost, of the insured event if the Insured is unable to participate due to any of the following reasons:

- The Insured suddenly falls ill, has an accident, or passes away.
- A close relative suddenly contracts an acute and serious illness or has an accident that is of such a serious nature that relatives need to be contacted.
- A close relative suddenly passes away.
- The Insured needs to stay at home or return home due to a burglary/break-in or substantial damage to their residence caused by a fire, storm, flood, water leak, explosion, landslide, or vandalism. Substantial damage is defined as an event that prevents you from reasonably participating if the booking relates to.
- The Insured is advised by a doctor not to participate.
- The means of public transport (including scheduled flights) used by the Insured to travel from their home to the destination does not operate according to the pre-announced timetable.
- The Insured has been prevented from arriving at the destination due to that the vehicle used by the Insured is involved in a traffic accident or suffers a mechanical failure that requires repair in a garage to be able to continue travelling with the vehicle.
- The Insured is summoned as a witness in a court proceeding.
- The Insured's residence, route or destination is in such an area where the Police or other public authority officially advises against transport and staying outdoors due to snowfall, ice hazards, fog, storm, or similar situation. In the event of a weather warning from the Finnish Meteorological Institute, a red warning is required.

- The Insured is ordered to work by an employer (does not apply if self-employed).
- A babysitter hired by the Insured suddenly falls ill or is otherwise prevented from appearing and this occurs less than 48 hours before the event and no replacement has been found.

The insurance will also apply if you are dependent on a carer the carer is unable to participate due to one of the reasons stated above.

A close relative refers to a spouse/cohabitant partner, sibling, own children, grandchild, parent, parent-in-law, grandparent, brother-in-law or sister-in-law, cohabitant partner's children, cohabitant partner's parents and as well as their own parents' cohabitant partner.

6. What the insurance does not provide coverage for

The insurance does not cover:

- Cancellation due to an illness or injury known at the time of the booking. However, compensation for cancellation may be paid in the event of a sudden and unforeseen acute deterioration of a persistent or chronic illness provided that the persistent/chronic illness has not shown any symptoms, has not been subject to medical attention or care (other than a scheduled routine check-up), nor has treatment been changed within 6 months prior to the purchase of the insurance.
- Cancellation because of an ongoing or planned medical examination, treatment, or check-up for a confirmed or suspected health issue.
- Transport delays or that the vehicle is inoperable due to lack of petrol, engine oil, or battery charge.
- Transport delays/vehicle breakdown or being inoperable caused by the Insured themselves.
- Transport delay as a result of the Insured not having planned the trip taking weather conditions and other events affecting traffic or road conditions into consideration.
- Cancellation because of a change in plans or double booking.
- Anxiety, a change of mind or similar.

Compensation may be reduced if the injury is caused by the misuse of medicines or the use of alcohol, drugs, or other intoxicants.

7. Amount of compensation

The maximum compensation is the price paid for the insured event, up to a maximum of 50 000 €.

- If one or more Insured persons are unable to participate in the insured event and the reason for this is covered and eligible for compensation but the insured event can take place with the other participants, compensation will be paid for the part corresponding to the cost of the non-participating Insured person(s). For example, if one out of five persons is unable to participate, the insurance can reimburse 1/5 of the total amount paid for the booking.
- If the event relates to a special occasion, such as the celebration of a 50th birthday or a bachelorette party, and the person being celebrated is unable to be present due to one of the reasons listed under point 5, the insurance cover can provide compensation for the entire booking.
- If any of the Insured pass away suddenly and unexpectedly, the entire booking can be reimbursed, provided that the death was not directly or indirectly caused by a medical condition or injury that was known beforehand, displayed symptoms, or was undergoing medical treatment

or a change of medication within 6 months prior to the purchase of the insurance.

- If one or more of the Insured adult participants is not able to participate in the booked event due to an injury eligible for compensation, the insurance also applies to the other Insured persons under the age of eighteen who otherwise would have had to attend the event without a guardian or other insured adult.
